FAQs

What's contents/fire insurance?

Contents/fire insurance safeguards you by covering the cost of repairing or helping replace your personal belongings inside your home if they're damaged or destroyed.

Am I required to buy contents/fire insurance?

No, but you may feel more secure with contents/fire insurance. Here's why: if all your possessions were unexpectedly damaged or destroyed, what would you do if you weren't insured? Would you want to pay out of pocket to replace your belongings? With contents/fire insurance, you're better safe than sorry.

What type of events are typically covered under contents/fire insurance?

It can depend on where you live, the total value of your belongings, and the amount of coverage you chose. Disasters such as fire or power surges caused by lightning, smoke (sudden accidental), hurricane, tornado, hail, riot or civil commotion, aircraft or vehicle damage to personal property are insured.
